IMPACT OF FEDERAL POLICY ON)	ADMINISTRATIVE
NATURAL GAS TO KENTUCKY)	CASE NO. 297
CONSUMERS AND SUPPLIERS)	

O R D E R

On December 23, 1986, Louisville Gas and Electric Company, Western Kentucky Gas Company, Texas Gas Transmission Company and Entrade Corporation filed a joint motion for a continuance of the hearing scheduled for January 7, 1987. The basis for the motion is that there is a Federal Energy Regulatory Commission proceeding in which they are participating.

After a review of the record, the Commission believes the motion should be denied. Because of the number of parties involved, the Commission's schedule and the desire to conclude this proceeding in a timely manner, it is in the best interest of all parties to hold the hearing as scheduled.

IT IS THEREFORE ORDERED that the motion is denied.

Done at Frankfort, Kentucky, this 24th day of December, 1986.
